

Lake Michigan Lakefront Residence

Glen Arbor, Michigan 49636

Directly on Good Harbor Bay in Glen Arbor across from South Manitou Island, this rare opportunity to vacation on one of the world's largest body of fresh water awaits you and your family. With a 100 feet of clean sandy beach, you will be able to relax by the water or embark on endless beach walks along the coast in either direction. Surrounded by the Sleeping Bear Dunes National Lake Shore Park, you can experience additional picturesque settings and wonderful trails for further exploration and solitude.

After exploring the region more, you will soon understand why so many call this a unique and special area of the world!
